

Spartan Power Components is a division of **Spartan Europe Ltd** developed to manage the supply of high reliability, high tolerance components used in the Power Management Industries.

We are able to offer a full range of products used in the manufacture of power supply systems including relays, power resistor, hybrid circuits and rectifiers to name a few. All product is procured either direct from the Manufacturer or from Franchised Sources.

AMERICAN POWER DEVICES: Commercial Diodes and Rectifiers

ARCOL: Power Resistors

ARCOTRONICS: EMI/RFI Filters

BECK: Feed-through Filters

CONCORD INC: Mil & Commercial Plugs, Jacks and Terminals

ERM THERMAL TECHNOLOGIES: Mil & Commercial Heat Sinks

HI-G: IECQ & MIL-spec Relays

INTERNATIONAL RECTIFIER - OMNIREL: Hi-rel IGBT's, Mosfet's and DC/DC Converters

MICROPAC INDUSTRIES: LED's, Solid State Relays, Optocouplers and 7 Segment Displays

MICROSEMI CORP: Mil & Commercial Mixed Signal IC's, Discretes, Diodes, Linear & Analog Devices, Rectifiers, TVS's

*Compensated Devices
 New England Semiconductor
 Linfinity Microelectronics*

MINCO TECHNOLOGY LABS: Die Processing & Hi-rel Packaging, Opto Electronics

OXLEY: Feed-through Filters

PRECISION DEVICES INC: Hi-rel & Commercial Crystals, Crystal Oscillators, VCXO's, TCXO's & OCXO's

SATCON / FILM MICROELECTRONICS/

SIPEX/HYCOMP: Mil & Commercial Rf, Thin Film, Linear, Diode & Power Devices

SEMICOA INC: Military Transistors & Photo Diodes

SEMTECH INC: Military & Commercial Analog & Mixed Signal Devices, Discretes, TVS's & Capacitors

SENSITRON SEMICONDUCTOR: Military & Commercial Rectifiers, Diodes, IGBT's, Mosfets, TVS's & Linear Devices

SIGNATURE INDUSTRIES: Relays & Solenoids

SIMTEK CORP: Military & Industrial Non-volatile Static Ram

STATE OF THE ART INC: Hi-Rel Thin & Thick Film Chip Resistors, High Frequency Products & Resistor Networks

UNION TECHNOLOGY CORP: Hi-Rel Ceramic Capacitors

VALPEY FISHER: Hi-Rel & Commercial Crystals, Crystal Oscillators, VCXO's, TCXO's & OCXO's

QUALITY MANAGEMENT

- Quality system approved to ISO 9000:2000
- Complete ESD material handling in accordance with ANSI/ESD's 20.20-1999
- Inventory supported by factory certification data and full traceability in accordance with MIL-PREF-19500, MIL-S-19491 and MIL-STD-750.

VALUE ADDED SERVICES

- Axial Tape And Reeling
- Surface Mount Tape And Reeling
- GSI Inspection
- Mil-spec Packaging Per Mil-std-2073
- Up-screening
- Bar Coding
- Consigned And Bonded Inventory
- Kanban & Kitting
- Vendor Managed Inventory
- Just In Time Deliveries
